

## March Mania Package

Pick the winning team! If you buy a PERQ basketball-themed mailer with one of our services, you can receive an entry into our contest for \$1,000 or \$2,500 if your chosen team wins the college basketball tournament! If you choose a seed 1 team you'll receive a \$1,000 entry and if you choose a team in any other seed you'll receive a \$2,500 entry.

- Increase your chance of winning! For each PERQ service you add on after the first one, you can double or triple your odds on your initial team (up to \$7,500) OR pick another team to increase your chance of winning.
- Teams must be picked by March 16

The 3 PERQ Services to pick from include:

- Conversion Boost/BDC
- Amazon Prize Packages
- Any Database Mailer

New clients will automatically get a cash campaign entry for picking their team and running an event or database mailer with us. And then they, too, can add on picks for each PERQ service they try.
